## TRADITION OF EXCELLENCE - BOOK 1 BEG. BANDS

Student Name: \_\_\_\_\_

As a student in band, you can earn a different colored “belt” (ribbon or beads) for every level you pass. In order to earn the next colored belt, you must see Mrs. Forsythe to take the test for that color every other Friday in class. You must be completely prepared before you take the test, and you only have a total of 2 times to pass. We will be using the playing test rubric. You may place your ribbon on your instrument case each time you earn a new ribbon! Remember, the best way to earn belts is to practice at home for at least 60 minutes per week! Good luck!
